FROM: Jill E. DiTommaso, PE
Deputy Town Manager

DATE: March 6, 2023

RE: Installation of Pedestrian Crossing Signals
White Oak Avenue and 45th Street

Background

Last year, the Town's concrete contractor installed ADA compliant curb ramps on the west side of the intersection of White Oak Avenue and 45th Street. This construction will facilitate safe crossing of 45th Street from the west side of White Oak Avenue, eliminating the need to cross White Oak Avenue first.

Midwestern Electric has provided the attached quote to install two pedestal poles and pedestrian signals with buttons at the approximate locations shown below to complete the crossing installation.

Recommendation

Authorize the Town Manager to approve the quote from Midwestern Electric LLC to install the pedestrian signals for \$10,185.00.
