Mr. Dustin Anderson, Munster Town Manager
1005 Ridge Road
Munster, IN 46321

Dear Mr. Anderson

Thank you for considering my consulting services. I'm excited about the possibility of working with you and your team to address your needs and help you achieve your goals with the Monarch City Project.

I offer on-call hourly consulting services for businesses of all sizes. My expertise lies in horticulture and landscaping, and I have 23 of experience working in this field.

Here are some of the ways I can support you:

- Scout sites for new pollinator plantings around town
- Assist in procuring plants

My hourly rate for on-call consulting services is \$100 per hour. This rate includes scouting new planting sites, written reports to relevant managers and phone calls. I'm happy to provide a more detailed breakdown of my services and rates upon request.

If you're interested in moving forward, we can schedule an initial consultation to discuss your needs and how I can best support you. During this consultation, we can also discuss the scope of the project, timeline, and any other relevant details.

Thank you for considering my services. I look forward to the opportunity to work with you and help you achieve your goals.

Sincerely,

Dolly Foster
