Re: Purchase New Bomag Asphalt Roller

Background

Munster Public Works to purchase a new Bomag Asphalt Roller which was scheduled for replacement in 2024 in line with the Street Division 5-Year Capital Improvement Plan. Two rollers; Unit 367 purchased in 2002 and Unit 368 purchased in 1997 will be traded in for this purchase.

Methodology

Munster Public Works received a proposal from McCann, Schererville, IN for the Bomag BW100SL DD roller with 39" roller drums in the amount of \$36,878.00 through Sourcewell with the 2 trade-ins receiving \$6,000 total. Sourcewell takes the complexity out of the solicitation/bidding process by providing procurement services to governmental units through national contracts with vendors procured through a competitive bidding process that secures the lowest competitive pricing complying with Indiana law I.C. 5-22-10-5. The Town of Munster is a Sourcewell member (ID# 28145).

Budget Note: Listed in our 2023 Capital Projects List, the Bomag asphalt roller will be funded from the 2023 G.O. Bond, 4413-9152123-64440.

Recommendation: By motion and voice vote, approve the purchase of a new Bomag asphalt roller from McCann with a Sourcewell price of \$42,878 and minus the trade-ins for \$6,000 for a final price of \$36,878.00
