Re: Ordinance 1934: Updating Centennial Park Hours

The Park Board approved changing the hours at Centennial Park to 6:00 a.m. -10:00 p.m. at their November 2023 meeting. This would provide a set closing time instead of dusk. A set time also allows for better enforcement. At the February 19, 2024, meeting, Council had first reading on the ordinance.

RECOMMENDED ACTION:

By motion and voice vote, to approve Ordinance 1934 on second reading as presented.
