RE: Leachate Panel Pumping systems procurement & replacement & flow meter install project.

Field Proposal #24-1089 Rev-1

HD Mechanical Inc. is pleased to submit its Not to Exceed proposal to supply labor, supervision for the above-mentioned project.

Our scope of work includes the following items:

1. **HD/Austgen** proposes to LOTO all associated equipment with operations prior to start of work with scope to include the following.
 - **New pump and transducer at North & South lift station**
 - **New break out box for transducer at North & South lift station**
 - **New break out box for pump leads at North & South lift station**
 - **New level control relay panel at North & South lift station**
 - **New Analog Flow Meter procurement & installation non telemetry.**
 - **Provide crane with operator to remove old and install new pumps**
 - **Provide 4-gas sniffer & fresh air fans in confined space**
 - **Provide safety retrieval system for confined space**
2. Supply electricians & pipefitters for removal & installation of both North & South lift stations replacements
3. Supply (1) electrician to prepare drawings and redline existing drawings once project is completed.
4. Submittal drawings for all equipment will be supplied upon project acceptance before procurement.
5. Any material or labor that is needed in addition to what has been budgeted, will be completed on T&M basis. REF#MM24002
6. We have based proposal on 8-hour days shift during normal working hours for 4 men & operator each day. (Premium-time & holidays excluded)

The following items are not included:

- Sales or use taxes, permits or fees.
- NDT Testing, sump evacuation or equipment for leachate transfer.
- Civil or Insulation work is by others.

Our Procurement Proposal for pumps & controls is \$48,885.35 (Forty-eight thousand eight hundred eighty-five dollars and thirty-five cents).

Our Budgeted Not to Exceed Proposal for Installation of (2) complete pumping systems is \$39,654.90 (Thirty-nine thousand six hundred and fifty-four dollars and ninety cents).

Thank you for the opportunity to submit our proposal and look forward to serving you better.

Respectfully,
HD MECHANICAL, INC.

Erik Hansen
