Objectives

- To further the Explorer's education.
- To encourage participation in a rewarding and productive service activity.
- To enhance preparation for further roles as citizens and community members.
- To provide in-depth, firsthand experience into the fields of Law Enforcement and Criminal Justice by the utilization of classroom presentations, practical field exercises, and other training aids.

Purpose

The purpose of Law Enforcement Exploring is to educate and involve youth in police operations, to interest them in possible law enforcement careers and to build mutual understanding. The education aspect provides knowledge of the law enforcement function in one's community, whether one enters the field of law enforcement as a career or not. Through involvement, the Explorer Program establishes an awareness of the complexities of police service. While police personnel remain the key to success, Explorers can also become involved in the Law Enforcement process.

The Explorer Program will assist the members in understanding the workings of the Munster Police Department and its goals and objectives. The members will assist the Munster Police Department in any way possible to maintain public safety and the well being of the Munster, Indiana community. It will expose members to new experiences, knowledge and skills at the same time stressing the importance of discipline and the acceptance of responsibility. The program will maintain a continuing objective for practical experience, knowledge and skills and will have an over-all maturing effect for individuals in the program. We will strive to serve the citizens of Munster, Indiana by participating in crime prevention programs along with any programs that are neighborhood based and have the objective of a safer community.
