

## Building & Fire Safety – Town of Munster, IN

In keeping with State and Town policy regarding social distancing, the policy of the Building Department for the foreseeable future shall be the following:

- No building inspections are to take place inside occupied homes.
- Building permit inspections within occupied businesses shall be avoided if possible.

Therefore, interior inspections will be handled thru photos.

Email inspection request to [communitydevelopment@munster.org](mailto:communitydevelopment@munster.org).

Provide the following information:

- Photos and/or videos
- Type of inspections
- Address of project
- Name of contractor
- Contact name and phone number

Post inspection request submittal information as follows:

- Additional information may be requested.
- Inspection results and/or comments will be delivered via return email.
- If results have not been received after 24 hours the project may proceed at your own risk.
- Return email shall act as an inspection tag and shall not be a guarantee, intended or implied.
- Green tags shall be provided upon request.
