General Information and Policies

Educational opportunities abound in many forms! While a structured school year is filled with course opportunities and studies for formal learning, Summer Enrichment offers a more relaxed avenue for discovering individual learning pursuits. Besides providing a valuable educational experience to every student, we also offer a broad curriculum of programs that help children enrich their lives. Some of the classes include arts, crafts, science, math, geography, and reading. Summer Enrichment allows students to spend substantial time having fun, making friends, and exploring their interests. The primary objective for Munster Parks and Recreation is to offer innovative programs with a variety of topics that take students beyond a standard school curriculum.

Location

All classes will be conducted via Zoom. An email link to the class will be sent to you from the teacher once you are enrolled.

Refunds/Withdrawals/Transfers

Refund Policy
Munster Parks and Recreation is committed to providing the highest quality recreation activities, events, and programs. If a person is not completely satisfied with a program or service due to circumstances under the department’s control, Munster Parks and Recreation will arrange for the person to repeat the class at no charge, use the fee for another class during the same season, or receive a refund.

A Full Refund Will Be Granted . . .
- If a participant is dissatisfied with a MPR class, program or activity due to circumstances under the department’s control.
- Refund requests must be made prior to the midpoint of the class, program or activity.
- If the refund is initiated by MPR (i.e. cancelled class, low enrollment).
- For injury or illness, with a doctor’s note. (Once a program has begun, a prorated fee for classes met is credited).

All Other Refunds
Refunds will be issued prior to the start of a program if the program enrollment is greater than the minimum, minus a $10 service charge per program plus the cost of supplies (if applicable).

After the start of the program, no refund will be issued except for illness/injury, accompanied by a doctor’s note.

Refunds will not be granted for the following: schedule conflicts, vacations, special events, tickets, coupons, field reservations, and other reasons beyond our department’s control.

Registration

Register Online - New Customers
Visit www.munster.org
Click the “Parks Online Registration” Soccer Ball icon.

If you have never registered with us, you can set up an account online. You must set up an adult account before you can register your children.

Register Online - Current Customers
If you are a current customer, but have never registered online, please contact the office so that we can give you your login and password information. If you have registered online in the past, you will need to know your login and password to sign up for new classes.

Grade Matters
When registering, please make sure you register your child into the grade that they will be entering in the fall. If they are just finishing 1st grade, you will enroll them into 2nd grade. Some exceptions can be made, but you will need to contact the park office for approval.

Don’t Have Online Access?
You may also register by dropping in the park office at 1005 Ridge Road, Munster, IN. Our office hours are M-F, 8:30 am to 4:30 pm. We accept cash, check, and all major credit cards.

Or, you can complete the registration form on page 6 and mail to the park office or drop off in the red mail box in the Town Hall parking lot.

www.munster.org
Welcome to Virtual Summer STEAM Camps at Munster Parks & Recreation powered by Black Rocket, a national leader in tech-education. Choose any of the great cutting-edge courses with topics such as coding, game design, eSports, virtual reality and more. Each week get ready to be led by top teachers in LIVE classes! Students benefit from participating in our wider Creator Corps™ community, but also have small group break out sessions with coaches. The Black Rocket motto is always Safe-Fun-Learn in that order! Watch for emails the week before camp with instructions to download software and meeting links. Jump-start your future in creative tech with Munster Parks & Recreation and Black Rocket!
