Residents of Munster and the surrounding communities:

The Town of Munster as a whole and the Parks Department in particular has worked hard all summer to effectively adapt to meet your evolving needs. As I look back at our summer programming, there is a lot to be pleased about. Our Parks Staff were able to be creative and flexible in offering programs that were able to be executed safely and still provided the services you and your family were looking for.

We are proud to provide our community relief, enrichment, and recreation in these trying times. Usage of public spaces all over the nation is up. Munster is no exception – one stroll through Centennial Park on a beautiful summer day would tell you that. Further, once the Governor allowed our playgrounds to open up, we saw a tremendous response; the golf course has done exceptionally well; and, we were one of the few communities in the area that was able to safely and effectively open our pool.

This while we’ve made significant improvements to our park infrastructure at Elliott Elementary School, Circle Park, and elsewhere.

As we transition to the fall, we are going to keep that entrepreneurial spirit and continue to offer opportunities for enrichment that meet the demands of our time. Continuing with that theme, it is my hope that a new Parks and Recreation Director will have been named and in the process of joining our very strong team here at Munster Parks and Recreation.

These parks are yours. Please get out and enjoy them!

Dustin Anderson
Town Manager

What you learn could save you hundreds of dollars and many hours of automotive issues. This class will be demonstrative only on a car provided by Mr. Transmission.
