## Rules and Regulations

Please retain this information for your records.

**Space Size:** Each booth space is 9' x 16'. Your registration fee gets you two or three parking spaces. All participants are required to bring their own tables and chairs. Tents are allowed but must be weighted for safety (staking is not allowed). Merchandise for sale must remain within the boundaries of the space assigned to you. **Disclaimer: We recommend that all clothing, bedding and toys be clean or laundered prior to selling. We do not allow direct sales/businesses at this event.**

**Set Up Time:** 6:30 – 7:45 a.m. (Cars must be removed from the selling area by 7:45 a.m. and you must be ready to begin selling at 8:00 a.m.). For set-up you will pull your vehicle into one of your spaces, unload into the other, move your vehicle to the high school parking lot or other area as instructed by staff, and then return to your designated spot to display your items within your parking spaces.

**Check-In:** Please enter from the Munster High School parking lot (off Columbia Avenue) or from Calumet Avenue at the stop light into the park for check-in. Please remember that traffic will be coming either direction as cars exit the lot, so please stay in your lane. Only one vehicle per registrant will be allowed to enter the selling area at a time. If you bring multiple vehicles to unload, they must wait in the high school parking lot until your previous vehicle has been unloaded and moved. Please stay alert and keep traffic moving.

1. Only garage sale items can be sold; no home-based businesses (i.e. 31, Avon, Tupperware, Mary Kay, etc.).
2. No imports, wholesalers, flea marketers, crafters, jobbers, benefit items, weapons, or fireworks.
3. No food products or beverages of any kind can be sold.
4. Vendors are required to exhibit all hours of the event, and to be on time. Early departing vendors and those vendors who fail to exhibit (i.e. no-shows) will not be accepted into future events.
5. Vendors must supply their own displays, chairs, canopy tent, tables, etc.
6. Location or neighbor requests are honored. We will do our best to accommodate the request, but there is no guarantee. "Same Spot" requests will not be honored, please be specific in your request.
7. Parking in the grass or anywhere other than the high school parking lot is not allowed. If you choose to park in one of these locations your car is subject to towing by order of the police.
8. Only one vehicle per registrant will be allowed to enter the selling area at a time. If you bring multiple vehicles to unload, they must wait in the high school parking lot until your previous vehicle has been unloaded and moved.
9. Your spot must be clear of all possessions and garbage at the end of the event.
10. No alcoholic beverages may be brought onto the property.
11. Smoking is not allowed in the selling area. Should you choose to smoke during this time, please do so at least fifteen (15) feet from any point of the event and out of public view.

**Donations:** Should you have unsold and unwanted items at the end of the event, a nonprofit organization will be in attendance to take donations. They can supply you with a tax receipt if desired. These items must be boxed or bagged and brought directly to the respective trucks.

**Departure:** At 2:00 p.m. the barricades will be removed and all exits will be open. Sellers may begin loading their items for departure. You are encouraged to compile what you have left into one parking space, that way you can pull your vehicle into your second parking space for loading. Please drive safely when exiting and watch for pedestrians. Sellers must be packed and off the premises no later than 3:15 p.m.

**Questions:** Should you have questions prior to the event, please call the Munster Parks and Recreation Department at (219) 836-PARK.
