Private Management

Flowers

Private Management

Prickly Pears surprisingly thrive in this Munster resident's front yard.

FLOWERS

Pollinator Habits

Local Organization Share information in presentations and on social media to educate our residents.

How can I protect pollinators?

Don't spray flowers directly

Use when pollinators are not active

Spray as close to the pest as possible

Long lasting products may have higher risks

Follow the label - including use sites and methods

Volunteer Donations

The Munster Civic Foundation sponsored tulips which were planted in the fall of 2020.

3,000 tulip bulbs were planted and excavated in the spring for reuse in the fall. Over 200 manhours were expended to accomplish the planting and harvest.

Early morning blooms on a main throughfare of Munster.

FLOWERS

Volunteer Donation and Participation

School Town of Munster
Parents donate time and
resources to beautify the
Munster Public Schools
